## FIRST MEDTECH CONGRESS JURA: Brazilian and Swiss medtech synergies

Day 1

18.10.22

- 
- 09:00-09:15 Opening:** Bioscience Medical SA and Basel Area Business and Innovation/DayOne
- 09:15-10:00 Lecture:** Innovation in the medical field (Medicine 4.0)  
-Dr. Leandro Gregorut, PhD, Orthopedic Surgeon and Sports Medicine Specialist,  
Arthron Medical Services
- 10:00-10:15 Presentation:** InnoSpina  
-Gwenael Hannema, Co-founder and CEO
- 10:15-10:30 Presentation:** Comphya  
-Rodrigo Fraga, CEO
- 10:30-11:00 Coffee**
- 11:00-11:45 Lecture:** Minimally invasive robotics for surgery 4.0  
-Prof. Dr. Hans-Florian Zeilhofer, Professor University of Basel  
-Georg Rauter, PhD, Associate Professor, Surgical Robotics Biomed-lab,  
University Hospital Basel  
-Prof. Dr. Florian Thieringer, Co-Founder and Leader Medical 3D Print Lab,  
USB, Co-Director
- 11:45-12:00 Presentation:** Switzerland Global Enterprise  
-Bruno Aloj, Senior Consultant
- 12:00-12:15 Presentation:** Mazzaferro Medical  
-Claudio Mazzaferro, CEO
- 12:15-14:00 Lunch**
- 14:15-15:00 Lecture:** Additive Manufacturing technologies in the medical field  
-Nicolas Bouduban, CEO of the Swiss m4m Center
- 15:00-15:20 Presentation:** HE-Arc  
-Philippe Potty, Professor Ordinary, Head of Medical Devices Group
- 15:25-15:45 Presentation:** CSEM  
-Christoph Joder, Business Development Manager
- 15:45-16:15 Coffee**
- 16:15-17:00 Lecture:** Clinical trials and ethical aspects  
-Dr. Barbara Fialho, PhD, coordinator of clinical research for CiTen Clinical Research
- 17:00-17:05 Closing**
- 17:05-19:00 Cocktail & Networking:** Demonstration of orthopedic products by Bioscience Medical

## FIRST MEDTECH CONGRESS JURA: Brazilian and Swiss medtech synergies

Day 2

19.10.22

- 
- 09:00-09:15 Opening:** Presentation Economic Promotion, Lionel Socchi & Bioscience Medical  
-Ana Carolina Pengo Brito, CFO and Board member  
-Ricardo Brito, CMO at Bioscience Medical and Biomechanica
- 09:15-10:00 Lecture:** The disruptive future of additive manufactured implants  
-Prof. Dr. Hans-Florian Zeilhofer, Professor, University of Basel  
-Prof. Dr. Florian Thieringer, Co-Founder and Leader Medical 3D Print Lab, USB / Co-Director
- 10:00-10:15 Presentation:** Switzerland Innovation Park Basel Area & DayOneTech  
-Frank Kumli, Head of Innovation & Entrepreneurship Member of the Management Board  
-Lukas Scherdel, Director at DayOne  
-Frederic Nicolet, Manager Technology Projects
- 10:15-10:30 Presentation:** Moonlight AI  
-Sezai Taskin, Co-Founder  
-Christian Ruiz, Co-Founder
- 10:30-11:00 Coffee**
- 11:00-11:45 Lecture:** Two decades of 3D Virtual Simulation and Custom-made implants. What have we learned?  
-Prof. Dr. Fernando Melhem Elias, Associate Professor, University of São Paulo
- 11:45-12:15 Presentation:** Regulatory aspects of 3D printing  
-Alexander Hatt, QM RA Manager, Swiss m4m Center
- 12:15-14:00 Lunch**
- 14:15-15:00 Lecture:** Clinical trials Biomechanica case  
-Dr. Leandro Gregorut, PhD, Orthopedic Surgeon and Sports Medicine Specialist, Arthron Medical Services
- 15:00-15:15 Presentation:** Economic Promotion  
-Lionel Socchi, Delegate & Bioscience Medical  
-Ana Carolina Pengo Brito, CFO and Board member  
-Ricardo Brito, CMO, Bioscience Medical and Biomechanica
- 15:15-15:45 Presentation:** Connections between Europe & Brazil multicenter studies  
-Dr. Barbara Fialho, PhD, coordinator of clinical research for CiTen Clinical Research
- 15:45-16:15 Coffee**
- 16:15-17:00 Lecture:** Financial support for innovation projects  
-Dr. Prabitha Urwyler, PhD, Scientific Officer for Bilateral Cooperation, Innosuisse
- 17:00-17:05 Closing**
- 17:05-19:00 Cocktail & Networking:** Demonstration of orthopedic products by Bioscience Medical
